* Core Workshops in the School of Classical Oil Painting
 † There is a one-day break during these marked courses.

Mentoring Workshop Enrollees must have completed all six of the core subjects in Color Theory, Still Life, Landscape, Portrait, Old Master Flemish and Old Master Venetian workshops (between 2001 - 2009) as a prerequisite to participating in these workshops. There is no minimum enrollment requirement. Mentor Workshops will be held for as few as one student. Model Fees will be shared equally among those painters using the models for either painting or photography. Participants will provide their own fresh flowers and fruit for still life.

Deposits & Model/Flower Fees: Non-refundable Deposit required for each class. If you cannot attend your chosen class, you may transfer \$50 of your deposit to another workshop. Model and Flower Fees must be paid with enrollment deposit and are non-refundable and non-transferable.

Balances Due: You are responsible for paying all balances by the due dates. No Reminders will be sent. You will receive confirmation of enrollment with balance due date noted for each class. Balances will be charged to credit card used for payment of deposits if a check is not received by the balance due date (see authorization above). Supply Lists will be sent upon receipt of balance of tuition payment(s).

Transfers: A \$50 fee will be charged for all transfers made 45 days or more in advance of workshop. No transfers within 45 days of class. No refunds. Cancellations with 45 days or less notice will result in forfeiture of all tuition paid. Transfers can only be made between classes that are in the same calendar year.

Cancellation - Refund Policy: No refunds for any reason unless the workshop is cancelled by LFAS. This policy is strictly enforced. Please call if you have any questions. Classes which do not reach the minimum enrollment by the tuition-due date are subject to cancellation and all moneys will be refunded. We advise you to purchase refundable air tickets in the event any class is cancelled for lack of enrollment.

Accommodations/Transportation: There are several motels within one mile of the studio. While the studio is near most hotels, a rental car is recommended. An information package will be sent with hotel information. Flights into Hobby Airport (HOU) are the most convenient to our studio (25-30 minutes away). Bush International is approximately one hour from the studio. Taxi service is available to/from both airports to your hotel.

Supply Lists: Supply Lists for paint and brushes will be mailed to you upon payment of the balance of tuition. Professional easels, tabolets, and glass palettes are provided for all workshops by the studio. All of the painting surfaces used in class must be purchased from our studio.
